TESTED RECIPES

Carrot Soup

Clean and slice carrots and boil two onions, season with salt and pepper, add bouquet of a few herbs, and place in a soup with one quart of half and half and garnish with a pinch of

onions and then simmer until the vegetables are sufficiently soft to eat.

When eaten little white meat may be added with a gill of cream when serving. Use the rinds of carrots and onions to make gravy and cook over slow fire in a saucepan just before eating.

Apples Jonathan

Take four apples, one pint of flour, one tablespoonful of butter, two eggs, one gill of cream, sugar, nutmeg, and cinnamon, and the like, add enough flour, water, and cook over slow fire in a saucepan just before eating.

For dessert, eat without adding any butter, flour, water, or sugar, for strengthening the system, and rub it on the blood. At all times it is good to eat a little.
